

WORKSHOPS AND SEMINARS 2017

Christ for The City International is an international mission organization based in Omaha, Nebraska. We work in 16 countries (mostly in Latin and Central America) and operate over 90 different ministries. For over 20 years we have sent teams and individuals on short and long-term mission trips, outside and within the USA. Our President and CEO, Dr. Chip Anderson, spent 18 years on the mission field himself in Costa Rica. The following list is a number of free workshops and seminars that we offer in our areas of expertise, for church, women's, men's, youth, children's, missions, workplace conferences and retreats. - **Funding Your Ministry** - This course addresses the obstacles for those who raise personal support as well as those who send them. Whether you're an experienced fund-raiser or just starting out, '*Funding Your Ministry*' will help answer your questions, and put you on the Biblical path for recruiting and maintaining donor support.
- **Biblical Counseling 101** – This workshop teaches Biblical foundations to all church members, equipping them to help their family and friends find freedom in Christ. The class discusses the sin of godship, effects of rejection and forgiveness, and how to find freedom through confession and Godly forgiveness.

- **Strategic Planning with the Logic Model** - The program Logic Model is a picture of how your organization does its work (the theory and assumptions underlying your program). Your strategic plan needs to link outcomes (both short and long-term) with program activities/processes, and the end goals you seek to achieve. This seminar will help walk you through this process.
- **Character & Integrity** – This workshop outlines the keys to successful leadership. Effective leaders must minister out of who they are in Christ. As a leader grows in character, God grants a greater ability to lead (spiritual authority); followers recognize this growth as spiritual authority, and their capacity to trust and follow a leader grows accordingly. Hence, effective ministry flows out of abiding in Christ (John 15:5).
